

**The Chartered  
Institute of Logistics  
and Transport**

## VISION

CILT Ireland will be the nationally recognised professional body for mobility and supply chain professionals.

The Institute will establish, maintain and champion the highest standards in professional conduct, educational attainment and ethical values.

Institute members will have industry standing, and be recognised, valued and sought out as a result of their membership.

## MISSION

CILT Ireland is the preeminent organisation for the promotion and championing of professional standards in the mobility and supply chain sectors.

Our success is grounded in defined professional standards, educational excellence, integrity and a common purpose to develop the sector by employing the highest ethical values.

Membership is an invaluable endorsement of ethical and professional standards.

## **V A L U E S**

**We are a Professional members organisation - We want to remain a strong and sustainable professional members organisation. The actions we will take to ensure compliance with this value include:**

- Build and strengthen the membership base quantitatively and qualitatively by recruiting professionals with standing (at chartered and fellowship levels where possible) and by developing the existing membership base through CPD. Members must meet standards and match the values of the Institute.
- Enhance, strengthen and continually review existing governance protocols and promote and disseminate widely amongst members and other stakeholders
- Renew and reinforce standards internally and externally
- Offer professional accreditation and education opportunities to members so that the attributes of a professional members organisation are met.

**We are respected and trusted - We will develop a valuable, nationally recognisable and trusted Brand. The actions we will take to ensure compliance with this value include:**

- Seek out and build relationships with other like-minded professional organisations and stakeholders
- Carry out high quality research and prepare policy positions.
- Ensure the highest standards of excellence and professionalism in all of our activities
- We will maintain consistent and trusted messaging as a professional organisation and not allow the name and reputation of the institute to be devalued
- We will ensure that both members, customers and staff are treated with dignity and respect and in line with the highest ethical standards.

Institute of Logistics  
and Transport**

## **V A L U E S**

**We are an ethical, honest and caring Institute that acts with integrity and compassion – We will ensure that our processes and procedures are fair and transparent and that all of our interactions with and between members, staff and other stakeholders are ethical, caring and honest. The actions we will take to ensure compliance with this value include:**

- Ensure all procedural documents and processes are fair, transparent and proportionate. Documents and procedures will be constantly reviewed and kept up to date.
- A positive and caring culture will be promoted both internally and externally.
- Diversity and inclusion will be actively promoted within and by the Institute
- Procedures for dealing with incidents that fail to meet the Institutes standards will be robustly and fairly applied.
